

2021 Summer Recreation Program

COVID-19 Modifications & General Information

COVID-19 Screening Questionnaire

An online screening questionnaire for each participant is **required** daily prior to arrival in order to participate. For everyone's safety, any child experiencing any symptom is expected to remain home.

Locations and Drop-off

To help reduce person-to-person contact, there will be multiple locations such as Curling Club, Teen Centre, etc. for drop-off and pick-up. Dependent on registration numbers, locations could vary throughout the summer. Details and instructions of group organization will be provided once registration is collected and organized.

We are **unable to provide early drop-offs and late pick-ups** this year. These will be sanitization times.

Participants cannot enter a location before **8 am & 1 pm**. Entry will begin at these times and will be coordinated by staff in an organized fashion to minimize close gathering and to ensure social distancing.

***Important note:** For everyone's safety, we are unable to permit participants to arrive at varying times throughout the day. We understand that circumstances can arise. **Please notify staff at least 24-hours in advance so we can work together to safely plan for a late arrival.**

To minimize outside traffic and ensure we are within public health number limits and health measures, main entrances to locations **will be locked** once all participants arrive.

Participants will **not be permitted** to leave before the program ends unless permission is granted by parents/guardians. If your child is permitted to leave at any time, please submit a permission slip. A screening questionnaire will be required upon re-entry on the same day.

Personal Belongings

Personal items such as toys and electronics are not permitted. Please send the required items only for the day's activities. Please see required supply list at churchillfalls.ca.

All required items **MUST** remain in the child's zippered bag/backpack until it is needed and **MUST** be taken home at the end of each day.

General Information

Monday to Thursday: 8 am to 4:30 pm **Friday:** 8am to 3:00 pm (early closure for cleaning & sanitizing).
Closed each day from 12 to 1 pm.
