

Public Safety Advisory:
Controlled Water Release at the Jacopie Spillway has ended.

January 4, 2025 – The Churchill Falls Generating Station is advising the public that the controlled water release at the Jacopie Spillway has now ended.

We thank the public for their cooperation during this time.

Safety is always our number one priority. The public is advised to always use extreme caution around dykes, dams and spillways as water levels in these areas are always unpredictable.
