

An Evacuation Alert has been issued... ARE YOU READY?

Remember

An **Evacuation Alert** could
quickly turn into an
Evacuation Order.

PREPARE NOW!

If an **EVACUATION ALERT** has been issued, this checklist can help you prepare.

- ☐ Ensure you have subscribed to all community notification systems and alerts at churchillfalls.ca.
- ☐ If you do not have transportation, submit a **Transportation Form** at churchillfalls.ca **now**.
- ☐ Contact family members and ensure they are close by and know what to do.
- ☐ Gather your **PRIORITY 1 LIST** items.
- ☐ Pack your vehicle.
- ☐ Ensure vehicles are fully fueled at all times.
- ☐ Keep your pets close by.
- ☐ Move boats, trailers, campers, etc. if necessary.

Prepare your home inside and out:

- ☐ Close windows\doors and leave them unlocked.
- ☐ Remove flammable window treatments.
- ☐ Move flammable items to the middle of the room.
- ☐ Move flammable items inside such as toys, furniture, mats, etc.
- ☐ Move BBQ's and ensure propane is off.
- ☐ Connect garden hoses to outside faucets for firefighters.
- ☐ If time still allows, gather your **PRIORITY 2 LIST** items.

***Priority lists templates on next page.**

DO YOU KNOW THE STAGES OF AN EVACUATION?

Visit churchillfalls.ca for all you need to know about emergency evacuation.

Tip: Note the location of each item. This helps you and your family locate and gather items quickly.
